Location

Newberry Pointe is strategically positioned with significant frontage in the market's only retail corridor directly off of I-83. The center benefits from a high influx of traffic from the I-83 Exit, as well as the surrounding customer base. The center acts as a regional shopping destination for a trade area that extends 10-15 miles in each direction, attracting a vast customer demographic. Newberry Pointe has a high concentration of traffic generating tenants located within the shopping center which allows it to pull from not just the immediate market point, but all surrounding towns and communities alike.

Trade Area

Adding to the stability of the project, Newberry Pointe shows a 20-minute drive time demographic of over 198,152 people with household incomes of more than \$80,734 and daytime employment demographics equally as strong with 156,227. The demographics within a 10 mile radius include 296,322 people in 119,777 homes, a labor force of 240,294 with an average household income of \$84,316. The area's growth has increased over 14.3% since 2000 with over 18,370 new homes.
