## Location

The project is strategically positioned with significant frontage in the market's primary retail corridor along Northern Boulevard. The site benefits from the high-volume traffic flow of Northern Boulevard, as well as its proximity to I-476 and I-81 which are major freeways in the market. Northern Boulevard acts as the area's focal point for retail, with a trade area that extends more than 5 miles, attracting a vast customer base. With a high concentration of traffic drive by the surrounding retail, and highways, the site pulls from not just the immediate area, but surrounding market points as well.

## Trade Area

Adding to the stability of the project, 1101 Northern Boulevard shows a 15-minute drive time demographic of over 188,260 people with household incomes of more than \$67,208 and daytime employment demographics equally as strong with 107,596. The demographics within a 5-mile radius include 75,326 people in 30,548 homes, a labor force of 32,136 with an average household income of \$61,995.
