Location

Olde Tollgate Village is strategically positioned with significant frontage in one of the market's primary retail corridors along South Queen Street. The center benefits from the high-volume traffic flow of South Queen Street, which is one of the main North-South thoroughfares in the York market. With a trade area that extends more than 5 miles, this location attracts a vast customer base. With high concentration of traffic driven by the surrounding retail, medical, and office buildings, the center pulls from not just the immediate area, but the surrounding market points as well.

Trade Area

Adding to the stability of the project, Olde Tollgate Village shows a 20-minute drive time demographic of over 323,342 people with household incomes of more than \$75,156 and daytime employment demographics equally as strong with 157,972. The demographics within a 10-mile radius include 259,562 people in 102,354 homes, a labor force of 137,632 with an average household income of \$75,053.
