## Location

Olde Tollgate Village is strategically positioned with significant frontage in one of the market's primary retail corridors along South Queen Street. The center benefits from the high-volume traffic flow of South Queen Street, which is one of the main North-South thoroughfares in the York market. With a trade area that extends more than 5 miles, this location attracts a vast customer base. With high concentration of traffic driven by the surrounding retail, medical, and office buildings, the center pulls from not just the immediate area, but the surrounding market points as well.
