582 SHREWSBURY COMMONS AVE | SHREWSBURY, PA | 17361

*Project*

Shrewsbury Commons is a ±296,998 SF anchored retail shopping center centrally located in Shrewsbury, Pennsylvania, positioned at a signalized intersection at Mt. Airy Road (Route 841) and East Forrest Avenue. The center is anchored by a Walmart Supercenter, which recently underwent a full renovation and was renewed under a long-term lease — further solidifying its role as a major regional draw.

The property features a strong mix of national retailers including Pet Supplies Plus, Dollar Tree, Verizon, and Anytime Fitness, among others. With its high-traffic tenant lineup and strategic location, Shrewsbury Commons serves as the primary shopping destination not only for the local community but also for surrounding trade areas extending 15+ miles in every direction.

Notably, Wine & Spirits also completed a full renovation and now ranks as the top-performing location in York County, further reinforcing the center's retail strength and customer draw.

# Location

Shrewsbury Commons is strategically positioned with significant front in the market's primary retail corridor along East Forrest Avenue. The center benefits from the high-volume traffic flow of East Forrest Avenue (21,000 CPD) and Mt. Airy Road. East Forrest Avenue acts as the area's focal point for retail and provides customers access to I-83 (52,000 CPD), which is the main North/South roadway in the area. With the high concentration of traffic driven by the anchor tenants located within Shrewsbury Commons, and the surrounding retail, the center pulls from the immediate trade area, as well as the surrounding smaller markets as well.

# Trade Area

Adding to the stability of the project, Shrewsbury Commons shows a 20-minute drive time demographic of over 92,347 people with household incomes of more than \$126,955 and daytime employment demographics equally as strong with 32,300. The demographics within a 10-mile radius include 90,142 people in 34,969 homes, a labor force of 9,690 with an average household income of \$136,542. The area's growth since 2000 has increased over 14.7% with 5,071 new homes.
