LOCATION

Village at Gap is strategically positioned with significant frontage along the market's primary retail corridor along Lincoln Highway East (Route 30), which sees over 23,000 VPD. The center benefits from the high-volume traffic flow of Route 30, which is one of the market's heaviest traveled roadways. The roadway acts as a focal point for retail, with a trade area that extends more than 5 miles, attracting a vast customer base. With the high concentration of traffic driven by the surrounding retail, the center pulls from not just the immediate trade area but the surrounding market points as well. Urban Outfitters Distribution Center is within 1 mile of the center.

TRADE AREA

Adding to the stability of the project, Village at Gap shows a 20-minute drive time demographic of over 287,915 people with household incomes of more than \$78,606 and daytime employment demographics equally as strong with 148,035. The demographics within a 10-mile radius include 106,777 people in 36,510 homes, a labor force of 36,728 with an average household income of \$82,057. The area's growth since 2000 has increased over 18.5% with 6,765 new homes.
