Location - Shillington Shopping Center is strategically positioned with significant frontage in one of the market's primary retail corridors, Lancaster Avenue (Route 222). The center benefits from the high-volume traffic flow of Lancaster Avenue, which is one of the area's heaviest traveled roadways. Lancaster Avenue acts as a focal point for retail, with a trade area that extends more than 5 miles, attracting a vast customer base. With high concentration of traffic driven by the anchor tenants within the center, as well as the surrounding retail, the center pulls from not just the immediate trade area but the surrounding market points as well.

Trade Area - Adding to the stability of the project, Shillington Shopping Center shows a 15-minute drive time demographic of over 283,766 people with household incomes of more than \$81,197 and daytime employment demographics equally as strong with 146,350. The demographics within a 5-mile radius include 184,532 people in 71,496 homes, a labor force of 102,190 with an average household income of \$72,613. The area's growth since 2000 has increased over 8.4% with 5,994 new homes.
