LOCATION

South York Plaza is strategically positioned within the market's primary retail area directly off South Queen Street, with easy access to I-83 (71,000 CPD). The center benefits from the high-volume traffic flow of South Queen Street, which is one of the area's heaviest traveled roadways. South Queen Street acts as one of the area's focal points for retail with a trade area that extends over 5 miles, attracting a large customer base. With a high concentration of traffic driven by anchor tenants located within South York Plaza, and the surrounding retail, the center pulls from not just the immediate trade area, but from the surrounding areas as well.

TRADE AREA

Adding to the stability of the project, South York Plaza shows a 20-minute drive time demographic of over 216,999 people with household incomes of more than \$100,052 and daytime employment demographics equally as strong with 100,601. The demographics within a 10-mile radius include 275,244 in 108,286 homes, a labor force of 106,223 with an average household income of \$102,521. The area's growth has increased over 18.3% with over 21,042 new homes.
