LOCATION

Wildflower Commons is strategically positioned with significant frontage along the market's primary retail corridor along West Main Street (Route 322). The center benefits from the high-volume traffic flow of West Main Street, which is one of the main thoroughfares in the Ephrata market. West Main Street acts as a focal point for retail, with a trade area that extends more than 10 miles, attracting a vast customer base. With high concentration of traffic driven by anchor tenants located in the surrounding retail centers, the center pulls from not just the immediate trade area but surrounding market points as well.

TRADE AREA

Adding to the stability of the project, Wildflower Commons shows a 20-minute drive time demographic of over 273,913 people with household incomes of more than \$84,840 and daytime employment demographics equally as strong with 165,898. The demographics within a 10-mile radius include 174,356 people in 65,182 homes, a labor force of 77,296 with an average household income of \$91,229. The area's growth since 2000 has increased over 16.7% with 10,923 new homes.
