## LOCATION

Ephrata Marketplace is strategically positioned with significant frontage in the market's primary retail corridor along East Main Street. The center benefits from the high-volume traffic flow of East Main Street, which is one of the area's heaviest traveled roadways. East Main Street acts as a focal point for retail, with a trade area that extends more than 10 miles, attracting a vast customer base. With high concentration of traffic driven by anchor tenants located in the center, as well as the surrounding market retail, the center pulls from not just the immediate trade area but the surrounding market points as well.

## TRADE AREA

Adding to the stability of the project, Ephrata Marketplace shows a 20-minute drive time demographic of over 348,378 people with household incomes of more than \$77,635 and daytime employment demographics equally as strong with 208,717. The demographics within a 10-mile radius include 181,859 people in 67,861 homes, a labor force of 96,718 with an average household income of \$82,057. The area's growth since 2000 has increased over 15.2% with 10,377 new homes.
