LOCATION

West Shore Plaza is strategically positioned with significant frontage in one of the market's primary retail corridors, Market Street. The center benefits from the high-volume traffic flow of Market Street, which is one of the area's heaviest traveled roadways. Market Street acts as a focal point for retail, with a trade area that extends more than 5 miles, attracting a vast customer base. With high concentration of traffic driven by the anchor tenant within the center, as well as the surrounding retail, the center pulls from not just the immediate trade area but the surrounding market points as well.

TRADE AREA

Adding to the stability of the project, West Shore Plaza shows a 10-minute drive time demographic of over 99,491 people with household incomes of more than \$78,935 and daytime employment demographics equally as strong with 104,042. The demographics within a 5-mile radius include 184,463 people in 78,555 homes, a labor force of 140,056 with an average household income of \$80,279. The area's growth since 2010 has increased over 12.66% with 9,952 new homes.
