Location

1960 Quentin Road is well positioned in the established Lebanon market. Large developments such as Cedar Crest Square, Lebanon Plaza, and Lebanon Valley Mall, among others, lead the market in the surrounding area. The parcel has convenient access from Quentin Road (15,254 VPD), the main north-south thoroughfare of the Lebanon market. Major employers such as Cornwall-Lebanon School District, WellSpan, and Lebanon Valley Medical Center will easily bring traffic to the site. A trade area that extends over 7 miles combined with high-volume traffic from the dense retail and residential areas allows the site to pull from surrounding market points.

Trade Area

Adding to the stability of the project, 1960 Quentin Road shows a 20-minute drive time demographic of over 177,352 people with household incomes more than \$75,133 and daytime employment demographics equally as strong with 141,359. The demographics within a 10-mile radius include 149,598 people in 59,470 homes, a labor force of 119,634 with an average household income of \$74,428.
