Property Overview

Pep Boys holds these properties under long term ground leases. The tire and auto repair operations will continue, the former parts sales areas have already been vacated, sizes fall in the range of 3,200 to 11,500 SF.

Uses sought include medical, such as dialysis or Plasma centers, day care for children, doggie day care, discount retail, furniture, tools, hardware and automotive uses that don't compete with the tire and repair operations, such as collision centers, auto glass or auto parts.

Cash allowances can be negotiated, provided the rent is commensurate with a reasonable return on the additional investment.
