LITITZ RUN REVITALIZATION DISTRICT

A. Purpose

Lititz Run has been the heart of our community since its earliest days. However, generations of industrial use have left the stream corridor to be underutilized and impacted by an overabundance of paved surfaces. While the corridor presents the Borough's largest redevelopment opportunity, the stream's floodplain and industrial heritage presents challenges to conventional development.

The purpose of the Lititz Run Revitalization District is to allow for appropriate commercial and residential development that achieves the vision set forth in the Downtown Redevelopment Plan. Such development would connect and complement both Downtown and the residences along Front Street while incentivizing the restoration of Lititz Run.
