## Key takeaways

- Amazon plans to invest at least \$20 billion in Pennsylvania to expand its data center infrastructure for AI and cloud computing, creating 1,250 new high-skilled jobs and supporting thousands more in the AWS data center supply chain.
- Since 2010, Amazon has invested \$26 billion in Pennsylvania, contributing more than \$26 billion to the Commonwealth's GDP and supporting 27,000 full and part-time jobs, as well as 37,100 indirect jobs across various facilities.
- Amazon will bring training and education programs, including data center technician programs, fiber optic fusion splicing workshops, and STEM awareness and learning opportunities for K-12 schools, to local communities.
- Amazon is launching the Amazon Northeastern Pennsylvania Community Fund with a \$250,000 commitment for grants up to \$10,000 supporting STEM education, sustainability and environment, digital skills, culture and heritage, health and well-being.
